

MASTER ERASMUS MUNDUS

STUDENT PRESENTATIONS

7th Cohort (2016-2018)

Fields of interest

Seeking Career & objectives

SAB Meeting – LA SPEZIA
February 2018

AUNG HTUT KHAUNG

Myanmar

Naval Architect

- Education: Myanmar Maritime University
- Field of interest: Mainly in Design and structural analysis of motor yachts
- Seeking Career & objectives: Design Office, Classification Societies, Offshore Industries.

SAB-EMSHIP Meeting, LA SPEZIA, Feb 2018

AYE CHAN KO

Myanmar

Naval Architect

- Education: Myanmar Maritime University
- Field of interest: Ship Design, Structural Analysis, CFD, Hydrodynamics
- Seeking Career & objectives: Design Office, Shipyard, Research and Development

SAB-EMSHIP Meeting, LA SPEZIA, Feb 2018

Cheriyen KAILAS

India

Naval Architect/ Cost Engineer

3⁺ Years of Professional Experience in
DAMEN SHIPYARDS

- Education: Cochin University of Science and Technology (India)
- Field of interest: FEM/FEA, Fatigue Analysis, Structural Optimization, Cost Control and Innovative Solutions
- Seeking Career & objectives: Research and Development, Classification Societies, Design Offices, Plan approvals, Surveying, Tendering/Bidding and Invoicing

SAB-EMSHIP Meeting, LA SPEZIA, Feb 2018

Thales MACHADO

Brazil

Mechanical Engineer

- Education: Instituto Federal do Espírito Santo (IFES)/ Queen Mary University of London (QMUL).
- Field of interest: CFD analyses, Management, Structural design, and R&D.
- Seeking Career & objectives: Marine Engineer and CFD Engineer, developing optimization tools through programming. Project Manager, innovation and leadership enhancement are personal goals.

SAB-EMSHIP Meeting, LA SPEZIA, Feb 2018

Juliette DEWAVRIN

France

Aeronautical Engineer

1 year experience as Maintenance engineer in Aeronautics

- Education: ESTACA (Master degree in Aeronautical Engineering) - Paris, France
- Field of interest: Sailing and Motor Yacht Design, Aero/Hydrodynamics, Aeronautical Design, Propulsion systems, Composite
- Seeking Career & objectives: Design engineer, Project engineer, R&D, Maintenance engineer

SAB-EMSHIP Meeting, LA SPEZIA, Feb 2018

Ricardo FERREIRA
Brazil
Naval Architect

- **Education:** Federal University of Rio de Janeiro
- **Field of interest:** Offshore and Ship Industry.
- **Seeking Career & objectives:** Project Manager, Head of Section, Group Leader.

SAB-EMSHIP Meeting, La Spezia, Feb 2018

Marcio FLEMING
Brazil

Production Engineering
5+ Years – Cost Analysis, Claims & Estimative

- **Education:** B.Eng – State University of Maringá (UEM)
Expertise – Federal University of Rio de Janeiro (UFRJ)
- **Field of interest:** Management, Simulation, Class. Societies, Ship & Offshore Structure & Composite Materials
- **Seeking Career & objectives:** Project engineer; Researcher; Commercial, Contract, Planning and Cost Management; Software innovation;

SAB-EMSHIP Meeting, LA SPEZIA, Feb 2018

Syed Marzan UI HASAN
Bangladesh
Naval Architect and Marine Engineer, MRINA

- **Education:** BSc. NA&ME (BUET, Bangladesh) EMShip Masters in Advanced Naval Architecture.
- **Field of interest:** Ship Design and Research.
- **Seeking Career & objectives:** With 4 yrs. experience, seeking Starter to Mid-Level Positions in Design, Production Management, or Research related fields. Final goal is to be a world-class Naval Architect.

SAB-EMSHIP Meeting, LA SPEZIA, Feb 2018

Mukhitdin KAKENOV
Kazakhstan
Marine Engineer

- **Education:** Saint-Petersburg State Marine Technical University (SMTU)
- **Field of interest:** Seakeeping; Hull Optimization; Ship Theory; Safe Operation of a ship, marine technologies in maritime area
- **Seeking Career & objectives:** Naval Designer, Project Engineer, Research Engineer in hull form and ship structure optimization study branches.

SAB-EMSHIP Meeting, LA SPEZIA, Feb 2018

AKHIL AJITH
India
Naval Architect

3+ years of experience in Naval Architecture & ship building

- **Education:** Cochin university of science and technology (CUSAT-India)
- **Field of interest:** Ships and Offshore Structures Design and Construction
- **Seeking Career & objectives:** Plan Approval Engineer/ Surveyor for Ships and Offshore Structures/Project management/Performance Analyst.

SAB-EMSHIP Meeting, LA SPEZIA, Feb 2018

KHAN Aaqib
India

Mechanical Engineering

2 year experience in Pipe Design & Management Systems

- **Education:**
 - M Sc. – EMSHIP, University of Rostock, Ecole Centrale de Nantes, University of Liège.
 - B Tech. – National Institute of Technology, Srinagar, India.
- **Field of interest:**
 - CFD applications in Propulsion Systems.
 - Experimental Hydrodynamics and Seakeeping.
- **Seeking Career & objectives:**
 - Design Engineer
 - Research Engineer
 - Project ManagerObjective: Leading pioneering innovations and bridging technological gaps

SAB-EMSHIP Meeting, LA SPEZIA, Feb 2018

KODATHOOR Midhun

India

Naval Architect

4+ years of experience in the structural engineering of offshore and on-shore steel structures

- **Education:** Cochin University of Science and Technology (India)
- **Field of interest:** Structural design, FEA, Marine heavy lift and transport, Ship Stability
- **Seeking Career & objectives:** Naval Architect/ Structural Engineer/ Plan Approval Engineer/ Surveyor for Ships and Offshore Structures

SAB-EMSHIP Meeting, LA SPEZIA, Feb 2018

KUMAR Abhishek

India

Mechanical Engineering

2.5+ years work experience in coal based thermal power plant (maintenance dept)

- **Education:** Anna University, Coimbatore
- **Field of interest:** Ship design, Production, Engine/propulsion system, Offshore structure
- **Seeking Career & objectives:** Project engineer, superintendent or design, offshore sector, classification societies.

SAB-EMSHIP Meeting, LA SPEZIA, Feb 2018

MADUSUDANAN Rajesh

India

Marine Engineer

11 years experience in Merchant Navy

- **Education:** University of Madras - B.E(Mech)
- **Field of interest:** Marine Safety/Environment, Ship Design/Production/Operation/Management
- **Seeking Career & objectives:** Marine Surveyor, Consultant, Technical Superintendent, Project Management, OEMs, Business Development, PhD, Classification Societies, IMO, WMU

SAB-EMSHIP Meeting, LA SPEZIA, Feb 2018

MOUSUM Md Mahabub Hasan

Bangladesh

Mechanical Engineering

4+ Years of Experience in Automobile Industry & Logistics

- **Education:** Rajshahi University of Engineering & Technology.
- **Field of interest:** Structural & Equipment Design & Production, Analysis & Design of Finite Element (FEA), Composite Material, Engine/Propulsion systems
- **Seeking Career & objectives:** Structural Design or Calculation Engineer in Ship/Offshore Industry, Assessment of behavior or innovative efficient solution for Composite Structure & machinery components in Research and Development.

SAB-EMSHIP Meeting, LA SPEZIA, Feb 2018

NWE NWE SOE

Myanmar

Naval Architecture

- **Education:** Myanmar Maritime University
- **Field of interest:** Ship's Design and Structure
- **Seeking Career & objectives:** jobs concerning with naval architecture ,especially in ship's design and structure

SAB-EMSHIP Meeting, LA SPEZIA, Feb 2018

Bayram OZDOGAN

Turkey

Naval Architect & Marine Engineer

- **Education:** Istanbul Technical University(Turkey)
- **Field of interest:** Small Craft & Yacht Design, Ship Structures, Offshore Structures, FEA, CFD
- **Seeking Career & objectives:** Classification Society, R&D, Innovation, Design Engineer

SAB-EMSHIP Meeting, LA SPEZIA, Feb 2018

Gabriel PERDIGAO
Brazil
Mechanical Engineering

- **Education:** State University of Maranhao (UEMA)
- **Field of interest:** Ship Production, Ship Repair & Maintenance and Offshore Structures.
- **Seeking Career & objectives:** Ship construction, Ship Maintenance, and Project Management.

SAB-EMSHIP Meeting, LA SPEZIA, Feb 2018

Malith Prasanna
Sri Lanka
Mechanical Engineer

1 year experience in shipbuilding and mechanical system design

- **Education:** University of Moratuwa, Sri Lanka
- **Field of interest:** Ship Design and Production
- **Seeking Career & objectives:** Seeking carrier as Mechanical Engineer or Project Engineer.

SAB-EMSHIP Meeting, La Spezia, Feb 2018

SANCHEZ BLANCO
Michael
Colombia
Naval Engineer

- **Education:** Colombian Navy Academy
- **Field of interest:** Ship Production, Shipbuilding project management, Ship technology, Ship maintenance and up-dating.
- **Seeking Career & objectives:** Project manager in shipyards, Shipbuilding military projects.

SAB-EMSHIP Meeting, LA SPEZIA, Feb 2018

Stefan Šćekić
Serbia
Architecture

- **Education:** University of Novi Sad, Serbia
Faculty of Technical Sciences
- **Field of interest:** Design and Structure
- **Seeking Career & objectives:** Managing, Design and Ship Production

SAB-EMSHIP Meeting, La Spezia, Feb 2018

Sidama Ermiyas Sisay
Ethiopia
Mechanical (Design)
Engineer

- **Education:** Addis Ababa University (Ethiopia)
- **Field of interest:** FEM/FEA, Ship Structural design, composite material
- **Seeking Career & objectives:** Research institution in the area of composite materials and manufacturing processes, Classification Societies, Design Offices.

SAB-EMSHIP Meeting, LA SPEZIA, Feb 2018

TASDELEN Enes
Turkey
Naval Architect &
Marine Engineer

Over a year of experience in ship building industry

- **Education:** Yildiz Technical University
- **Field of interest:** Ship and Offshore structural design, Composite materials, Vibration and Shock
- **Seeking Career & objectives:** Ship and offshore design office, Classification societies, Project management, Innovation and research.

SAB-EMSHIP Meeting, LA SPEZIA, Feb 2018

Kaur TULL
Estonia
Civil Engineer

- **Education:** Tallinn University of Technology, EMSHIP Master's program
- **Field of interest:** Offshore structures, Production (super yachts, renewables), Harbour construction, Management and Survey
- **Seeking Career & objectives:** Project Management and Survey.

SAB-EMSHIP Meeting, LA SPEZIA, Feb 2018

UMMATHUR Shabeeb Fasil
India
Naval Architecture & Ship Building
3+ years work experience in Naval Architecture /Maritime fields

- **Education:** Cochin University of Science & Technology (CUSAT- India)
- **Field of interest:** Naval Architecture, Offshore Renewables, Data Analysis, Design Optimization, Structural Engineering, Hydrodynamics & CFD.
- **Seeking Career & objectives:** R&D, Design Office, Marine Classification Societies, Ship Management.

SAB-EMSHIP Meeting, LA SPEZIA, Feb 2018

LESTARI Vina Widya
Indonesia
Naval Architect

3 years experience in Eni-Saipem (EPC) as Naval Architect Engineer for Naval Architect and Mooring Department

- **Education:** B.Eng – University of Diponegoro (Indonesia)
– M.Eng – University of Liege (Belgium), Ecole Centrale de Nantes (France), University of Rostock (Germany)
- **Field of interest:** Ship & Offshore Design, Hydrodynamic, Seakeeping, Mooring, CFD.
- **Seeking Career & objectives:** Hydrodynamic Engineer, Ship/Offshore Model Basin Test, Research and Development, Design Office/Classification Societies.

SAB-EMSHIP Meeting, LA SPEZIA, Feb 2018

Semih YELLICE

(Republic of Turkey)

Naval Architecture and Marine Engineer

- **Education:** Yildiz Technical University (Republic of Turkey)
Université de Liège (Belgium)- École centrale de Nantes (France)
- **Field of interest:** Management-Ship Industry-Offshore Platforms-Renewable Energy-Class Surveys
- **Seeking Career & objectives:** Shipyard Management - Project Coordinator-Platform Operations Engineer- Production Planning Engineer-Research and Development-Classification Societies
