

STUDENT PRESENTATIONS

2nd Cohort (2018-2020)

Field of interest

Seeking Career & objectives

ADWAITH NATH
India

Naval Architecture

- Education:
 1. B. Tech in Naval Architecture and Ship Building. Cochin University of Science and Technology.
 2. Associate of Insurance Institute of India
- Field of interest: Wind power and offshore technology, Hydrodynamics.
- Seeking Career & objectives: Research, Development and management. Software development. Production

BADERIYA Naman
India

**Naval Architecture and Ocean
Engineering**

- Education: Indian Maritime University, Visakhapatnam Campus
- Field of interest: Ship Design & Production, Hydrodynamics and Numerical Computation, Advanced Crafts.
- Seeking Career & objectives: Designer, Researcher or Surveyor.

CILKAYA Emre
Turkey
Naval Architect

- Education: Naval Architecture and Ocean Engineering
- Field of interest: Hydrodynamic optimization of ship hull forms
- Seeking Career & objectives: Computational Science and Engineering

COURTEL Pierre
Luxembourg
Mechanical Engineering

- Education: University of Liège
- Field of interest: Sailing vessels, offshore racing, composite structures, foils; Pleasure/Super yachts ; R&D
- Seeking Career & objectives:
 - Looking for : Summer Internship, Thesis
 - Objectives : Project engineer, Design offices, Shipyards, Sailing teams

HUON DE KERMADEC
Nolwenn
France
Mechanical engineering

- Education: Centrale Marseille, FRANCE
- Field of interest: Ship&offshore structure, structural analysis, sailing boat
- Seeking Career & objectives: Design Office, Research&development,

KANADAN Midhun

India

Naval Architect

- ***Education:*** Cochin University of Science and Technology, India
- ***Field of interest:*** Ship design and production, Offshore design, Structural Analysis.
- ***Seeking Career & objectives:*** Naval Architect, Project & Design Engineer, Classification society Surveyor.

M120 - SAB-EMSHIP Meeting, Liege, Oct 2018

KHAN Muhammad Asad

Pakistan

Mechanical Engineer

- ***Education:*** NED University of Engineering & Technology
- ***Field of interest:*** Ship design, Cruise & Commercial ships, Ocean structures, Marine surveying, Maintenance
- ***Seeking Career & objectives:*** Design Engineer, Ship production, Classification society, Surveyor, Ocean Structures

M120 - SAB-EMSHIP Meeting, Liege, Oct 2018

LUNGU Daniela Laura

Romania

Naval Architecture

- ***Education:*** "Dunărea de Jos" University of Galați
- ***Field of interest:*** Naval Architecture, Shipbuilding, Finite Element Analysis.
- ***Seeking Career & objectives:*** Planning, Project Engineer, Shipyard Management, Offshore Industry.

M120 - SAB-EMSHIP Meeting, Liege, Oct 2018

LWIN Thet Thinzar

Myanmar

Naval Architecture

Sustainable Engineering

- ***Education:***
 - BEng (Naval Architecture), Myanmar Maritime University
 - MSc (Offshore Renewable Energy), University of Strathclyde
- ***Field of interest:*** Ship & Offshore Structures, Marine Technology, Renewable Energy (Offshore wind and Tidal)
- ***Seeking Career & objectives:*** Naval Architect, Project/Design Engineer, Energy Engineer/Consultant, Research Engineer

M120 - SAB-EMSHIP Meeting, Liege, Oct 2018

MAJOR Alexandria

Canada

Ocean & Naval Architectural Engineering

- ***Education:*** Memorial University of Newfoundland
- ***Field of interest:*** Renewable Energy, Project Management, Hydrodynamics, Offshore Structures
- ***Seeking Career & objectives:*** Management, Consultancy, Offshore Industry, Ship Refit, Arctic Engineering

M120 - SAB-EMSHIP Meeting, Liege, Oct 2018

OZHAN Yusuf Sefa

Turkey

Naval Architecture &

Marine Engineering

- ***Education:*** Yıldız Technical University (Istanbul, TURKEY)
- ***Field of interest:*** Offshore Structures & Wind Farms, Renewable Energy, Marine Environment and Resources, Propulsion Systems, Naval Auxiliary Machinery and Equipment
- ***Seeking Career & objectives:*** Structural/Project Engineering, Offshore Engineering, Ship Building Industry/Shipyards, Design Engineering, R&D, Classification Institutions

M120 - SAB-EMSHIP Meeting, Liege, Oct 2018

PAIVA André
Brazil

Mechanical Engineering

- **Education:** University Center FEI
- **Field of interest:** Finite Element Analysis, Optimization, Fluid dynamics, Ship structure analysis and design.
- **Seeking Career & objectives:** Design engineer, Project engineer, Research and Development.

M120 - SAB-EMSHIP Meeting, Liege, Oct 2018

REHMAN Wajiha
Pakistan

Mechanical Engineering

- **Education:** University of Engineering and Technology Lahore
- **Field of interest:** Designing and optimization, Computational analysis (fluid and structural), Unconventional renewable technologies (turbines), Cruise yacht
- **Seeking Career & objectives:** Research & development, Project/Design Engineer

M120 - SAB-EMSHIP Meeting, Liege, Oct 2018

RUIZ Nicolás
Colombia
Naval Engineer

- **Education:** Colombian Naval Academy
- **Field of interest:** Ship and Offshore design, Hydrodynamics, Ship Resistance, Ship production
- **Seeking Career & objectives:** Project/ Design Engineer, Research and development, Management

M120 - SAB-EMSHIP Meeting, Liege, Oct 2018

UMUNNAKWE Chisom Bernard
Nigeria

Marine Engineering

- **Education:** Niger Delta University (Nigeria)
- **Field of interest:** Renewable Energy in Hydrodynamics, Ship Design, Production and Logistics. Offshore Energy and Engineering.
- **Seeking Career & objectives:** Offshore Energy, Ship Design/Production and Renewable Energy industry. Also in Researching, Development and Business.

M120 - SAB-EMSHIP Meeting, Liege, Oct 2018
