

MBM CONSULTANCY

Was founded in 2010 in Germany to provide services with Naval Architects, Graphic Designers, Surveyors, Port Captains and Technical Authors. The skills from these professionals are there to assist the Heavy Cargo market, Offshore, Shipowners, Freight forwarders, EPC, Lawyers, and other Maritime sectors. The projects undertaken from MBM Consultancy over the years have been varied and continue to be both challenging and rewarding for ourselves and our client. MBM always plans its projects in advance to provide optimum solutions in designs to make each project a success.

Our services include:

- Naval Architecture
- Port layouts
- Transport Engineering
- Vessel Conversions
- Motion, Mooring, Stability and Feasibility studies
- Design and Construction of Lifting Frames, Grillages and Foundations

We have a lot of ongoing projects so also constant need for a new power in the team. Summer would be a crucial time for our business, that is why, we offer a placement opportunity. Apply starts next year with end of march deadline. That is why we would like to strongly encourage You to follow us on social media, where we always post a new job opening, as well as industry news and expert knowledge.

← This could be You soon!

Summer Interns will work alongside professionals, spend time in a shipyard construction/repair setting, and develop key relationships with engineering leaders that can be leveraged in the future.
